

Dorion Bible Camp Arrival Info 2003

Registration begins at 4 p.m. on Sundays

(Not before as there are no staff on duty until then!)

Supper will be served for campers at 5:30, so please plan to arrive
between 4 - 5:30 p.m.

Pick-up is 9:30 a.m. on Saturdays

(Pick-up for Week C-"Primary" [July 20 -24] is 6:30 p.m. on Thursday evening).

Upon arrival at camp you will be met by a staff member who will escort you to the proper place.

All campers **must** stop and be seen by the nurse. It is best that your health form be **brought with you** unless you have mailed it in time to get to Camp well before you arrive. **It is not necessary to have a doctor sign it.** At that time you must turn in any medications and talk to the nurse about any health concerns of your child.

All medications need to be brought in the original containers with clearly readable labels.

No dogs are allowed on the campground. Please, leave yours at home.

Please clearly label all of your child's belongings. Choose carefully what you send, bearing in mind that, despite diligent supervision, possessions can be lost or damaged.

Camp Dorion's phone is for business use.

Camper calls are restricted to emergency use only.

You may want to leave mail for your child for distribution throughout the week. There will be a box available for this when you arrive.

Please note that no camper is ever allowed to leave camp with anyone other than those designated by the guardians at the beginning of the week. If a change of pick-up plans is made, please inform us at 1-800-268-1609.
