

# I Wanna Throw Up

Richard Pepper/Mike Morris  
Primary '99

I wanna throw up,  
'Cause I'm so tired  
Of this song.  
It should be retired.  
I wanna be free,  
Please, release me.  
This song can annoy, noy, noy  
Those around me.

Lord I give this song to You.  
Take it Lord and make it new.  
'Cause all I want, Lord  
Is more of You.  
And less of this song.  
Just more of You.
