about Dean Barker

Inter. 1? 1995

Once there was young man named DEAN. He came to DORION BIBLE CAMP and felt very HAPPY. DORION BIBLE CAMP was his very favourite place. One of his favourite activities was WRESTLING. Whenever he went WRESTLING, he was very HAPPY, but also a bit SILLY.

One day as DEAN was WRESTLING some CAMPERS at DORION BIBLE CAMP, he heard a rustle in the woods. DEAN was very FRIGHTENED. It was a BEAR. "Oh no", he screamed. "BEARS in the woods! That doesn't make me feel HAPPY. What shall I do?" The BEAR came closer to DEAN. He saw that he was WRESTLING CAMPERS and wanted one of them for lunch. "No," he told the BEAR. "These are the wonderful young CAMPERS of DORION BIBLE CAMP. You can't have them." But the furry creature came closer and DEAN grew even more FRIGHTENED.

Suddenly he remembered that he had his handy dandy BASEBALL BAT which he kept with him all the time, just in case he was ever called on to teach Sports. Thinking of all the CAMPERS of DORION BIBLE CAMP who were in danger, DEAN mustered his courage and grabbed the BEAR and shoved his BASEBALL BAT down its throat. But the BEAR just bit the BASEBALL BAT in two and grabbed DEAN by the throat. Just then JULIA came by and saw that DEAN was in big trouble. She grabbed the BEAR and lifted him up above her head. Now the BEAR was FRIGHTENED. "Wait a minute. Wait a minute." said JACK THE NARRATOR. "This is SILLY. JULIA can't rescue DEAN from a BEAR." "Go away, JACK," said DEAN. "JULIA can rescue me, if she wants to. It's better than getting eaten." "No, I won't go." said JACK. "This is too SILLY."

Then JULIA dropped the BEAR on top of JACK. Then the BEAR ate JACK. Then JULIA ate the BEAR. "Stop!" screamed JACK from inside the BEAR inside JULIA. "This is really SILLY." Then the counsellor formerly known as Logan appeared and said, "FLOON". Then he said it again: FLOON. And again: FLOON. Nobody really knows why but it doesn't matter because all the CAMPERS at DORION BIBLE CAMP and DEAN and JULIA agree that this is a SILLY story.
