

Parody of “The Lion Sleeps Tonight”

You may be thinking the week is over.

You're glad 'cuz you're done in.

Well, sorry, buddy, it's only Friday.

You'd better think again.

Ooooooh...It's not over 'til it's o---ver.

Ooooooh...It's not over 'til it's o---ver.

For some it's been a long, hard summer.

You're ready for a break.

You won no team times and no K.G. prize.

You never got that cake.

Ooooooh...It's not over 'til it's o---ver.

Ooooooh...It's not over 'til it's o---ver.

So let's not slack off, get lazy and back off.

Our job is not yet through.

Let's get excited like we were the first day.

Pretend it's not day sixty-two.

Ooooooh...It's not over 'til it's o---ver.

Ooooooh...It's not over 'til it's o---ver.

Inotio. Inotio. Inotio. Inotio.
