

Campfire Sound Effects Story

about Paula Favot

Teens? 1995

Once there was young lady named PAULA. She came to DORION BIBLE CAMP and felt very HAPPY. DORION BIBLE CAMP was her very favourite place. One of her favourite activities was FISHING. Whenever she went FISHING, she was very HAPPY.

One day as PAULA was teaching FISHING at DORION BIBLE CAMP, she heard a rustle in the woods. PAULA was very FRIGHTENED. It was a BEAR. "Oh no", she screamed. "BEARS in the woods! That doesn't make me feel HAPPY. What shall I do?" The BEAR came closer to PAULA. He saw that she was FISHING and wanted one of the huge, plump fish PAULA had caught. "No," she told the BEAR. "The fish are for the wonderful young CAMPERS at DORION BIBLE CAMP. You can't have them." But the furry creature came closer and PAULA grew even more FRIGHTENED.

Suddenly she remembered that she had her handy dandy SEWING MACHINE which she kept with her all the time, just in case she was ever called on to teach Crafts. Thinking of all those CAMPERS at DORION BIBLE CAMP, PAULA mustered her courage and grabbed the BEAR by the throat and shoved his muzzle into her SEWING MACHINE sewed his mouth shut. Now the BEAR was FRIGHTENED and ran off into the woods never again able to bother people FISHING or eat pop and chips. PAULA was happy. "Now I can bring all these fish back to the splendid CAMPERS at DORION BIBLE CAMP. They'll be so HAPPY and all because of my SEWING MACHINE."

If you don't believe me, or if I've FRIGHTENED you, remember, this is only a FISHING story, after all.
