

# “Proverbs by Primaries”

Collected by Elaine Kalnbach

Summer 1992?

Camper standing in supper line as it starts to rain: “Let us in. You’re diluting us! You’re diluting us!”

At supper, after singing “Little Cabin in the Woods”: “Why don’t we just shoot the rabbit?”

After Elaine’s chapel: “Rather long chat tonight, wasn’t it?”

Following Tuesday’s supper: “Why do we have to have girl cheese sandwiches? I wanted boy cheese sandwiches.”

After prayer: “It’s ‘Ah-men’; A-men is a show.”

“Have a can of tuna. Have a can of tuna.”

“Leprosy is when you get bitten by a leopard.” – Ben Kroeker at crafts.
