Friends of Camp Gitchigomee

"Friends of Camp Gitchigomee" was started last year to help meet our annual financial needs (such as the high cost of liability insurance) and to begin setting aside funds for building and equipment upgrades. It was also started to raise the level of awareness and support of the camp and the wonderful experiences and opportunities it provides.

We are asking for a yearly donation of \$25.00 or more from camp alumni and supporters, but insist that any donations are not taken from those normally made to local churches. Financial donations are not required to be a "Friend of Camp Gitchigomee". Donations of time and talent and most importantly prayers are most gratefully received also.

All supporters will receive newsletters about the camp (and our most heartfelt thanks).
