

LU Christian Fellowships enjoys Camp G's dock!

**T-shirts & cookbooks
are still for sale!**

We would love to take any **pop cans** (uncrushed), **Canadian Tire Money** or **Quality Market receipts** off your hands for fund-raising purposes!

Helping Corner (aka Petitions for Pennies, Prayers and Positions)

If you would like to support Camp Gitchigomee, here are three ways:

- make a financial donation (consider Electronic Offering option)
- keep the Camp and Board members in your daily prayers.
- offer to let your name stand for a position on a standing committee (Nominating, Finance, Property, Program and Personnel),

or simply lend a helping hand when you can.

(Okay, so that's four!)

THANK YOU FOR YOUR SUPPORT!!!

Property Corner:

The camp has now been **"put to bed"** for the winter, including our new closed-in-but-not-yet-completed **staff cabin**. This building replaces the Cook's cabin, which had become uninhabitable due to mice infestations.

Special thanks go to Chris Willie and the St. Pauls crew, Dave Shaw and Peter, Larry Lewis and Randy Creighton for their huge efforts on the building.

God also blessed us with a donation of several cases of oil for the generator, with an excellent used chop saw, and with other new tools.

Next year, we are looking for helpers with the water system, getting firewood, putting up the second shade shelter, and finishing up the new building.
