## A few notes from the President:

\* **Many thanks** to all our great volunteers and supporters this year!

\* **Many thanks** too to our Property Chair, **Dave Shaw**, for heading up the work with **volunteers** on many projects at Camp in the Spring, Summer and Fall, such as painting the **Dining Hall**, erecting the **2nd Shade Shelter**, levelling the **road**, finishing the new **Cook's Cabin**, moving the **Cookie's Cabin** and assembling the **Beach Play Centre**.

\* Our inspection (July 14) for accreditation with the **Ontario Camping Association** went well, and we anticipate celebrating our acceptance in **January** at our **Volunteer Appreciation Dinner**. Watch for details.

## Corporation Membership

With the recent incorporation of Camp Gitchigomee we have a new structure for decision-making. The corporation is made up of members; anyone supportive of the Camp's objectives may complete an application and submit a **nominal \$5 fee** to become a member.

At the **Annual General Meeting**, members elect six Directors (the "Board"), who then make policy and operating decisions with help from various standing committees.

The Directors meet the third Tuesday of most months and members are welcome at these meetings to provide input for their decisions.

## Mark your calendars:
